Hello Billie,

First of all let me introduce myself. I am Moises Gomez and I am the new BLQ BID Program Manager.

We had contacted Council District 10 offices in regards to getting a letter of support for the Plaza de Música project at the Pico/Normandie Transit Plaza and we were informed that there are some concerns about the proposed project site.

My Executive Director, Veronica Hahni wants to schedule a conference call with you regarding how we can come up with some creative solutions to the concerns regarding using the site.

Are you available tomorrow morning or late afternoon?

We can initiate the call to facilitate the discussion so we would just need an appropriate number to which to reach you at.

We appreciate your time and we look forward to a productive discussion.

Sincerely,

Moises Gomez

I don't believe that we needed support from CD1 as the plaza is in CD10.

I can reach out to them if necessary.

Hello Cairo,

Attached is a draft copy of a letter of support that we would like from Councilman Wesson for the Plaza de Música project that we would like to submit with our Adopt-a-Median application to the Department of Public Works.

This application will assist us in getting city approval to install the interactive musical pieces at the Normandie Transit Plaza at 2800 W. Pico Blvd

If you have any question please feel free to reach out to me via e-mail or at my cell phone (323) 899-0162.

Your assistance in this matter is always appreciated.

Sincerely,
